

## October is Domestic Violence Awareness Month

*Join our Yard Sign Campaign - Action in Motion*

We challenge our Anoka County community to become involved and more educated about domestic violence during the month of October. Please join Alexandra House in observing October's **Domestic Violence Awareness Month** by placing one (or more) of our signs in your yard.

Yard sign is 18"x24" coroplast and comes with heavy duty wire stake. *To offset the cost of the yard signs, we are requesting a small (\$10) donation per sign.* Proceeds from the campaign, will go support and serve victims of domestic, sexual, and relationship violence. If you would like a yard sign, you can order it online or contact us at 763-795-5471 or [communications@alexandrahouse.org](mailto:communications@alexandrahouse.org).
