Who We Are

Alexandra House is a non-profit, community-based organization located in Blaine, Andover, and Anoka which provides 24-hour emergency shelter, supportive services, and community advocacy to victims/survivors of domestic, sexual, and relationship violence.

Mission

Our mission is to empower victims of domestic and sexual violence, and inspire social change, through education, support, and advocacy.

Domestic and Sexual Violence

Domestic violence is a pattern of abusive behavior that one person uses to gain or maintain power and control over another. Domestic violence can be physical, sexual, emotional, financial, or psychological actions or threats of actions that influence another person.

Sexual violence is the use of sexual actions and words that are unwanted by and/or harmful to another person. Some of these actions are defined as crimes by Minnesota statutes. Some experiences of sexual violence are hurtful violations of personal boundaries but may not rise to the level of a crime. However, that does not diminish the victim's experience of being harmed.
