Sexual Violence Virtual Support Group **Tuesdays • 6:30-8:00 PM | Location: Zoom**

This is a closed group and a safe space for survivors of sexual abuse and violence. Our goal is to assist in your healing by providing information, support, and a platform to share your experiences of sexual assault. Our 8-week program is structured around specific topics, including education on SV 101, managing anger, dealing with trauma triggers, regaining control, setting boundaries, practicing self-care, coping with the trauma, finding hope, and building resilience. **The group is open to individuals aged 16 and above of any gender. We encourage all members to attend every session.**
