

## 2023...A YEAR IN REVIEW

### Each year, Alexandra House provides . . .

**A Safe Haven.** 423 victims/survivors and their children received 6,947 nights of safety; with an average shelter stay of 19 days. 26 households were served in hotels due to reduced capacity for COVID-19 safety precautions.

**A Lifeline.** 3,500+ calls were answered on our 24-hour emergency helpline and online chat.

**A Voice.** 544 clients were supported by our civil and criminal justice advocacy services including: filing of protection orders, support during civil and criminal court proceedings and legal representation. 583 referrals from local law enforcement as a result of the Lethality Assessment Program were received, of those 505 victims were screened as high-risk and were connected to an advocate from the scene of the incident.

**A First Responder.** 194 referrals were received from local hospitals and clinics; 187 victims of sexual and domestic violence received crisis intervention, safety planning, and support at local hospitals and clinics.

**A Community.** 115 victims/survivors and their children began their healing process at weekly support groups; 757 support group sessions were provided; and 66 participants were referred to our partner, Conscious Healing, to receive ongoing therapy.

**An Advocate.** 73 families received personal ongoing support services and housing and financial assistance through our Rapid Rehousing & Parent Support Outreach Program; 13 households benefited from ongoing housing subsidies critical to achieving violence-free lives.

**A Role Model.** 5,039+ students learned about healthy relationships through 264 classroom presentations. 377+ children, youth, and parents were touched through school-based 1-1 advocacy and support groups, on-site groups at Lino Lakes Juvenile Correctional Facilities, and summer programming.

**A Mentor.** 5,550+ community members increased their awareness and knowledge through 103 in-person or virtual community education presentations, professional trainings, and community events.

**A Promise.** 46 older adult victims of abuse, neglect, and financial exploitation received participant-centered advocacy services specifically for adults 50+ through our Elder Abuse Services.

**A Helping Hand.** 385+ volunteers contributed 7,211+ hours of their time and talent to our programs; equal to 5 full-time employees and a value of over \$248,572.

***Across all of our programs, Alexandra House impacted the lives of over 16,000 people.***

# 2023 Highlights

**4%**  
from 2022

## Legal Advocacy

583 referrals from local law enforcement as a result of the Lethality Assessment Program were received, of those 505 victims were screened as high-risk and were connected to an advocate from the scene of the incident.

**19%**  
from 2022

## Emergency Shelter

The average shelter stay is now 19 days. The lack of obtaining safe, affordable housing has had a direct impact on how long a survivor stay in shelter.

**24%**  
from 2022

## Hospital Based Advocacy

187 victims of sexual and domestic violence received crisis intervention, safety planning, and support at local hospitals and clinics.

**38%**  
from 2022

## Housing & Supportive Services

73 families received personal ongoing support services and housing and financial assistance through our Rapid Rehousing and Parent Support Outreach Program.

**63%**  
from 2022
